A LITTLE CARE GOES A LONG WAY

Stay close.

Supervise every chewing session.

Keep water nearby.

Always provide fresh drinking water.

Know when to stop.

Remove small pieces that could be swallowed.

Follow the label.

Feed as a supplemental treat. Follow final feeding and storage instructions.

Weight ranges are a starting guide. Select a chew too large to swallow whole and suitable for your dog’s chewing ability. Confirm pack options and availability with Golden Pet.
